Question #2

What kind of _____ goes to Corinth?

If the God you know, love, and serve loves going to places, difficult and sin-filled places like Corinth, then perhaps it's not too far of a stretch that He might take you or me along with Him.

Paul knew the heart of Jesus that would save a sinner such as he. How could he not go to Corinth? No place was off limits to God and His gospel. Corinth was no exception.

Don't misunderstand what Jesus is saying. He's not saying that there are some Christians in town that you, Paul, haven't met yet. No, Jesus says, my people, my elect, my redeemed, who do not know me yet, yet I know them. They are mine. And they will come to know me through you Paul. Through your ministry, so you must keep going. You must continue to speak up. Don't give up. Speak up. I have many people here and they will come to me through what you do!
