

## FOUR WAYS WE BRING ON FAILURE ~ MARK 14

Failure is a \_\_\_\_\_ that often climaxes in one disastrous event, but is preceded by a number of \_\_\_\_\_ compromises along the way as illustrated in the life of Peter.

### We Bring on Failure by

vs 27-32

Peter was sincere about his \_\_\_\_\_, but he was ignorant about his \_\_\_\_\_. **BEWARE** of the kind of overconfidence that leads you to say without fear...

"Lord, I'll \_\_\_\_\_!"

### We Bring on Failure by

vs 32-41

There is a natural correlation between \_\_\_\_\_ and a lack of \_\_\_\_\_!

### We Bring on Failure by

vs 42-52

Why did Peter react so violently?

- To back up his \_\_\_\_\_
- To make up for his \_\_\_\_\_
- Peter was \_\_\_\_\_ when he should have been \_\_\_\_\_! (*Can't we relate to this???*)

### We Bring on Failure by

vs 66-72

"and when he thought of this, he wept" (v72)~ Even as God allows the "cock crowing" to remind us of how miserably we have failed, He also uses it to bring Peter (**AND US**) NEW ASSURANCES THAT . . . .

- Jesus is still \_\_\_\_\_!
- We can still be \_\_\_\_\_!
- A \_\_\_\_\_ is dawning in our lives!

**NOTE** ~ We may not be able to start over and make a new \_\_\_\_\_, but, with God's help, we can start afresh and make a new \_\_\_\_\_!
